# "EXTERMINATE THE, TRAITORS."

The people, whose Constitution and Union are at stake, will tolerate in their rulers anything necessary to preserve them. They will forgive them for doing almost any act tending to this end. But they will not excuse them for hesitation, timidtiy, blundering, nor, especially for doing or not doing anything through fear of hurting, of despoiling, OR EVEN EXTERMINAT-INC SOUTHERN TRAITORS, or of offend-ing their secret coadjutors in the North, and their open apologists in the Southern States,— Horace Greeley, Sept. 4, 1862.

#### What Greeley Thinks of Democrats.

Let the soldier understand that he is enrolled to fight a parcel of knaves, all liable to indictment, trial, sentence and execution-men who have wickedly disturbed the peace of the world without provocation-men with whom no terms are to be made-Dick Turpins, who call themselves Generals, and Capt. Kyds, who call themselves commanders. A thief is a thief-a liar is a liar-a perjurer is a perjurer; AND EVERY SOUTHERN TRAITOR, WHO IS MORALLY RESPONSIBLE, IS ALL THREE TOGETHER! Pray, do not let us have any more talk about our "misguided Southern brethren!" There is one thing which Southern success cannot compass, and that is an oblivion, in history and tradition, of the frauds, felonies and falschoods with which the ignominious enterprise began. THESE THREE TOGETHER! Pray, do not let us TRAITORS ARE OUTSIDE THE WORLD'S RESPECT FOREVER. Neither in its inception nor in its progress has the thing been respectable. There has been too much vulgar dishonesty, like that of gamblers, footpads and pickpockets, about it .- Horace Greeley August 16, 1862.

AN IMPORTANT LETTER from a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

New York, Oct. 11th, 1870.

Dr. Radway—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years working of your medicine on myself. For several years I had been affected with some trouble in the bladder and urinary organs, which some twelve months ago culminated in a teribly afflicting disease, which the physicians all said was a spasmodic stricture, in the physicians all said was a spasmodic stricture, in the urethra as also inflammation of the kidneys and bladder, and gave it as their opinion that my age—73 years—would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large quantity of medicine, both alopathic and homeopathic, but got no relief. I had read of astonishing cures having been made by your remedies; and some four months ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
